TANZANIA - the adventure ...

We are offering the very best of beautiful Tanzania. We stay at fantastic high-quality lodges and Tented Safari Camps (luxury) that offer outstanding staff service, comfort and food. This is a small group luxury bush adventure. Tanzania is unique with its vast open grass plains and huge numbers of herding animals. So we are targeting the mass plains migrations at a particular time of the year.

WPA has crafted over 50 tours to Africa with more than 300 photographers and partners over two decades enjoying the very best service, great accommodation and food, plus very experienced photo guides and local expert guides. Your photography comes first!

Each WPA past tour to Tanzania has enjoyed everything from lions with cubs to cheetahs, leopards, vast numbers of wildebeest, zebra, elephants and stunning birds. The species list is enormous, and the photo opportunities are endless. For this tour, we use beautiful lodges and famous Luxury Safari Tented Camps of a very high standard. This is not camping but it feels like camping in the wilds of Africa. Your bed is regular and super comfortable, with beautiful en-suites! Our vehicles have limited numbers, thus offering the perfect 'elbow room' with our pop top 4WDs and window space to optimise your shooting opportunities. We have shot at these locations before and guarantee you the chance to photograph and experience truly unique nature and cultural experiences - even for Africa!

Quality Time for Photography: The Leal family, guarantees quality time for photography, ensuring you have ample opportunities to capture the unique landscapes, nature and creative images that the targeted region offers. Whether you're a seasoned photographer or simply enjoy taking photos, this tour will provide outstanding results.

Experienced and Qualified Team: WPA is backed by the expertise of Darran and Julia, who have over 80 years of combined experience in photography, travel, and tour industries. Their sons Pearce and Frazer also contribute their unique experiences and knowledge. With their extensive backgrounds, you can trust that you're in capable hands throughout the journey.

Registered and Insured Tour Operator: WPA is a registered tour operator with the Queensland government and is covered by Tour Operator Insurance. This accreditation ensures that the business adheres to strict standards and procedures, providing you with peace of mind and professionalism. Ultimate TANZANIA

Itinerary to photo adventure ...
September 10-20, 2025

DAY 1 - ARUSHA, TANZANIA

September 10

Today we depart early and explore a small reserve near Arusha. A combination of walking and driving with small game and perhaps some rare monkeys. (No cats) A great chance for your WPA guide to offer you a workshop in the field to maximise your adventures to come.

Accommodation - Lodge - (D)

(NB: You should already be in Arusha for at least 24 hours. Julia will help with extra accommodation (not included) about the time of booking flights. This will help with the new time zone and optimise your Tanzania adventure.)

DAY 2 - ARUSHA - TARANGIRE NATIONAL PARK

September 11

After breakfast, we drive through an ever changing landscape to Tarangire National Park for game drives of 'The Elephant Playground'. This is an outstanding national park not far from Arusha that offers your first big cat opportunities, but so much more.

Large elephant herds are a key subject here. We enjoy a picnic lunch and afternoon game drives with your WPA guide and local expert guide using years of experience to target the best locations. Have those long telephoto lenses ready. (And shorter lenses for up close.)

Accommodation - Ndovu Tarangire Camp - (B,L,D)

DAY 3 - TARANGIRE NATIONAL PARK

September 12

Full day of game drives in Tarangire exploring the river shores and the swamp area. Your guides will work hard to target the best of these key locations. Expect anything around a new corner as literally it could be a big cat, beautiful bird, monkeys, the list is too long.

What you can expect is some fantastic elephant experiences, perhaps up close. Our game vehicles are the perfect platform for your safety, to view and to experience other creatures up close also.

Accommodation - Ndovu Tarangire Camp - (B,L,D)

DAY 4 - TARANGIRE NP TO NGORONGORO CRATER

September 13

Today is a long and rewarding day. After breakfast, we board the safari vehicles and transfer to Isoitok Camp Manyara located in the middle of a Maasai community. Last chance to game drive on the way out of Tarangire NP. We meet with our local Maasai guide who will give us a better understanding of the natural medicines still used on a daily basis with a Maasai medicine walk of the surrounding area. We will visit a traditional Maasai boma and experience traditional song and dance by the Maasai. Fantastic and exclusive cultural experiences and photo shoots. After lunch at the camp's lodge, we continue to Ngorongoro Crater where we check in at Ngorongoro Angata Camp. Super exciting!

Accommodation - Ngorongoro Angata Camp - (B,L,D)

DAY 5 - NGORONGORO CRATER

September 14

We descend into the crater for game drives. This is like no other place on earth! There are 25,000 large mammals residing in the park which is surrounded by the steep walls of an ancient volcano. The elephants are mainly bulls as females stay out of the park due to it boasting the largest predator population in Africa for area. Rare Black Rhino also make their home on the grassy plains. After exploring the many tracks, including time for a picnic lunch, we leave the crater late afternoon and return to the camp.

Accommodation - Ngorongoro Angata Camp - (B,L,D)

DAY 6 - NGORONGORO CRATER TO SERENGETI

September 15

Morning wake-up call with bird chorus. After breakfast you head via the Ngorongoro Conservation Area to the endless plains of the Serengeti. Game drive en-route to central Serengeti where we explore the many different areas of this huge park. Your WPA and local guide will target the best options. Accommodation - Matawi Camp - (B,L,D)

DAY 7 - SERENGETI

September 16

A full day of game drives in Serengeti National Park. We head over to the Rock Kopjes where we have a good chance of seeing some big cats. Cheetah and lion use this giant rock outcrops as observation posts. This is a great experience as the excitement builds to discovering a special subject to photograph. From lying in the grass, to hunting and playing, the big cats are a favourite. However, we stop for birds and other mammals as well. Perhaps we will find a lone tree on the plain? DAY 8 - SERENGETI AND NORTH

September 17

We depart early for dawn game drives of the Seronera Area, returning to the camp for breakfast. Then we board the safari vehicles again and slowly make your way to Kogatende in the northern part of the Serengeti. This drive will offer the chance for new animals and perhaps some that you have already photographed. We love a second or even third chance as each shoot will offer new imagery and the chance for new experiences. Our new home is Esirai Camp where we enjoy dinner and overnight.

Accommodation - Esirai Camp - (B,L,D)

DAY's 9/10 - SERENGETI AND NORTH

September 18/19

Two full days game driving in the Kogatende Area. Here we explore the river shores in the hope to catch a wildebeest river crossing. We will be using the camp as a temporary base to head out and your guides will best advise you of the hot action locations. It is often a waiting game and then a sudden rush to drive a short distance to the action. Nature is unpredictable and no crossings are the same on a given day. However, your guides are very experienced and will maximise this unique opportunity. Other subjects are possible including large zebra herds and other mammals. Of course this attracts predators from crocodiles, to lion, leopard, cheetah and smaller cat species, plus many raptors.

Accommodation - Esirai Camp - (B,L,D)

DAY 11 - SERENGETI - TOUR ENDS...

September 20

Morning game drive en route to the Kogatende Airstrip where you connect with your flight (included) to Arusha. Freshen up at Tumbili Lodge and then transfer to the airport for your flight connection. (B)
